Subject: RE: C10-1823 JLR Microsoft v. Motorola - Transcript invoices

Nancy,

I have a question regarding how prices are broken down on a court reporter's invoice. Just so you know why I'm asking, we are filing a reply to our cost motion and the other side has challenged the difference in court reporter charges so the attorney has asked if I would get clarification on the pricing.

I've attached one of your invoices as an example. This charge is for 11 pages @ \$.90 on a 1st copy-Ordinary. How much would it have been if it were Original-Ordinary? How about 2nd copy-Ordinary?

It you could let me know how each item under Category is priced if it were Original / 1st Copy / 2nd Copy we would really appreciate your help.

Thank you,
